

What is digital literacy?

Digital literacy is the tools and skills that are needed to function in a world that is more online each day.

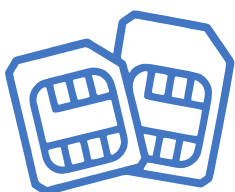

Have you ever thought what it's like? Ask and find out:

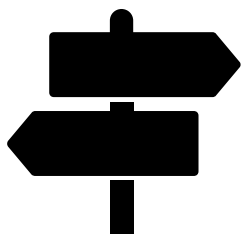

Do you have a suitable smart phone, computer or tablet?

Do you have the skills and equipment to go to appointments online? Are you comfortable doing it? Are you in a private space?

Do you have enough data?

Do you feel confident finding your way to where you need to go, online? Will you find us OK?
